**DECLARATION OF KAYLEE FLORES**

---

1. My name is Kaylee Flores. I am a U.S. citizen and resident of Texas. I live in Taylor County, and am currently nineteen (19) years old. I am a member of Gun Owners of America, Inc.

2. I make this declaration in support of Plaintiffs' Complaint for Declaratory and Injunctive Relief. Unless otherwise stated, I make this declaration based on personal knowledge. If called as a witness, I can testify to the truth of the statements contained therein.

3. I am a law-abiding person, eligible under both state and federal law to possess firearms. I have never been arrested or charged with any crime. There is no disqualification that would prohibit me from possessing or purchasing a rifle or shotgun.

*Exhibit "7"*

4. As is particularly relevant here, I have no mental health conditions or disability that would prohibit me from possessing firearms, or might otherwise implicate my ability to handle firearms safely and responsibly.

5. I have never purchased a firearm, but I desire to purchase a shotgun to keep in my home for all lawful purposes, including self-defense within my home.

6. On May 12, 2023, I attempted to purchase a 20 gauge shotgun from WNC Guns in Abilene, Texas, which holds a federal firearm license.

7. After I chose the shotgun I wished to purchase and, after filling out the ATF Form 4473, the store staff submitted my information to the FBI NICS system for the required background check.

8. However, as a result of a new federal statute, my attempted purchase was immediately placed in a delay status, which I know is due simply to my age. The employee at the store advised me that they would contact me when the process was completed. Because of this new law, I was unable to complete my purchase of my shotgun, and I left the store emptyhanded.

9. I am aware that, even if I am eventually allowed by the FBI to purchase this shotgun, for each and every future firearm I attempt to purchase, until I turn 21, I would be subject to this same mandatory delay.

10. I fully intend to purchase additional firearms in the future, including before I turn 21, and I do not believe I should be mandated to wait any longer than any other adult to exercise my Second Amendment rights, simply because of my age.

I declare under penalty of perjury that the foregoing is true and correct.

Dated: May 12, 2023
